

**Strand Theater Company – COVID-19 Safety Protocols for Audience Members attending Live Performances.**

- Strand Theater Company requires all patrons inside our building to wear a mask/face covering while not actively eating or drinking.
- Upon entry to the building, patrons will report to the box office to have their temperature scanned with an infrared thermometer and recorded on a sign in sheet with their email address. This information will be used in the event contact tracing is needed.
- A state-of-the-art air purifying system will be in use before a performance, during intermission, and after the show, for the safety of our artists and audience.
- All areas of the theater will be cleaned and sanitized between uses.
- Hand-sanitizing stations will be set up in the theater and theater lobby for use by patrons.
- At performances featuring receptions with food and beverage items, staff will be on hand to assist with serving. Patrons will be provided with single-use utensils.
